The Forest Stewardship Council (FSC) is an independent, not for profit, non-government organization based in Bonn, Germany.

The mission of the Forest Stewardship Council is to support environmentally appropriate, socially beneficial, and economically viable management of the world's forests.

FSC develops, supports and promotes international, national and regional standards in line with its mission; evaluates, accredits and monitors certification bodies which verify the use of FSC standards; provides training and information; and promotes the use of products that carry the FSC logo.

INTRODUCTION

This document shall be used as an addendum to “FSC-STD-40-004 Version 2: FSC Standard for Chain of Custody Certification” for the purpose of classifying FSC *product groups* and/or the included products by their *product type(s)*.

Product types covered by FSC Chain of Custody certification will be publicly listed on the FSC certificate database (www.fsc-info.org). Volume summaries on *product types* will be used by FSC for the purpose of statistical market analysis and otherwise treated confidentially.

This document will be updated at regularly intervals in order to reflect the increasing range of certified products covered by FSC Chain of Custody certificates.

Product classes and types

On the basis of the United Nations Statistics Division (UNSD)
